#### **Warren Bodine, MC Practicum Intern**

My name is Warren Bodine, and I am a Practicum Intern with Gilbert Counselors. I am under the direct supervision of Terri Roman, LPC, as I continue to pursue an associate license (LAC). I am currently completing my MS in Professional Counseling at University of Phoenix. I have a B.A. in Psychology from Ottawa University.

I am continuing to advance my knowledge in Cognitive Behavioral Therapy (CBT), Dialectical Behavioral Therapy (DBT) and Mindfulness. I enjoy working with individuals of all ages, including couples and families. I have worked with individuals experiencing anxiety, depression, relationship problems, bereavement, life adjustment issues and more.
