Sunday, November 6th – 1:00 – 3:00 pm

C. Demonstrations

This Fall begins our monthly AAEGV Wednesday night demonstrations!

Our October demonstration will feature botanic artist, Leslie Menarik, who will work in colored pencils. Leslie has studied at the American Academy of Art, the Chicago Botanic Gardens, and various other certificate programs. She has taught in all media at the Mount Prospect Park District and continues to teach on all age levels. We look forward to her presentation on Wednesday, October 26th from 7-9 pm at the Art Room in the Pavilion. The picture to the right is a fine example of Leslie's botanic art work. Make plans now to attend the first of our 2022-23 Demonstration Series.
