

Steak n Brew

S n B
Turin, New York

Steak n Brew is an establishment with a colorful history. What began as an old farmhouse was purchased by Snow Ridge in the 1940's and has since been operating as a "libation" center for the area. For years the establishment was known as "The Crossroads" owned by the Kelly's, D'Ambrosi's and Mumford's; Under owners Victor Yepello and David Twinging it was known as "Down The Road." After a small hiatus in which it was closed, it reopened as the "Wolf's Den" with owners Ken Wolf and Sharon Boliver. It was not until 1994 that the Steak n Brew came to be what you know it as today, with yet another name change by your host, and owner, Paul Virkler.

We hope that you enjoy yourself at the Steak n Brew and take in all the area has to offer. Whether you are skiing at Snow Ridge, golfing at Turin Highlands, horseback riding at Chase Lake or snowmobiling and four-wheeling, this area is full of recreational activities for all to enjoy.

Thank you for joining us. We look forward to seeing you back real soon!
