

WHAT IS CONSENT?

CLEAR

Active & specific - saying yes, nodding head up & down.
"Maybe" or "I'm don't know" is not consent.

COHERENT

Sober, awake, conscious - some under the influence of drugs or alcohol cannot give consent.

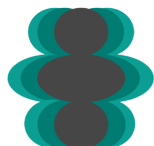

WILLING

Without threats, coercion or mental/emotional manipulation - saying things like "You would if you loved me" is manipulation.

ONGOING

Continuous throughout each stage of intimacy - just because someone agrees to kissing, doesn't mean they agree to everything. Get consent for each stage of intimacy.

It does not matter what someone wears, whether they are drinking, or where they were. NO MEANS NO!
