*“How lovely is your dwelling place, O LORD of hosts!  
My soul longs, indeed it faints for the courts of the LORD;  
My heart and my flesh sing for joy to the living God.” - Psalm 84: 1,2*

Our congregation's Mission Statement states the following:

**“By God's love and grace, we are Called, Committed and Led.”**

This statement is lived out in many wonderful ways within the life and witness of Faith Presbyterian Church. Currently in our life as a church we are living into the truth of this statement by all the ways so many people are sharing their prayers, gifts and dedication in constructing our very first church building at Hwy 515 and Bluebird Road.

As the weeks have passed and progress seen, and as we get ever closer to the completion of this new facility for worship, fellowship, learning and service our excitement grows. This excitement has been motivating some of our members and friends to ask members of the New Building Committee and Session what else they might offer or do to help provide equipment, furniture, and enhancements for the new building that are not included in our contract with our builder.

The experience gained in seeking to respond to the enquiries already received, and in order to provide information to any and all who may also be interested in expressing gratitude to God by considering such additional gifts, has led to this document being prepared and made available.

There is an outline of some of the items that we know we will need as we look to welcome people into the life of the congregation and additional items identified as wishes and hopes that would be welcome additions in the new building. This list provided at this time is not fully comprehensive as new needs may in time be identified, but the initial list is a fine starting point.

If you would be interested in donating all or part of the cost of these items you are invited to confer initially with our Pastor, Jim Simpson, or Jim Reich or Bill Young, co-chairs of the New Building Committee. If you wish to simply make an additional gift to be used for the items most immediately needed, there is no need to confer with anyone but submit your gift in whichever way is suitable to you attaching a completed donation form (see the back page of this document).

The church's Gift Acceptance policy found on the church website (Publications page) reminds us of the following **“Priority in Giving”**. “Generosity is encouraged among the congregation. However, the Session urges all members to make their priority in giving the continuation and fulfillment of the annual operating and missions budget and fulfillment of remaining building fund pledges. Importance should also be directed to reduction of the building mortgage to enhance the operating and missions funding for the church in future years.”

Thank you for all you are and do and for your consideration.

Hymn #301 “Let Us Build a House” verse 1

*Let us build a house where love can dwell and all can safely live, a place where saints and children tell how hearts learn to forgive. Built of hopes and dreams and visions, rock of faith and vault of grace; here the love of Christ shall end divisions. All are welcome, all are welcome, all are welcome in this place.*
