Rail Yard 10,000 sq ft

The rail yard offers an outdoor social area with seating to accommodate hundreds of people. This carefully designed space includes 5 firepits, cornhole games, ample room for entertainment, and much more. The railyard's 5,000 square feet is the perfect setting to host larger community and private events. The possibilities are endless!

We are proud to announce a STONES course as an exciting addition to our yard space. Come check out this 9 hole outdoor ball sport which is gaining popularity around Philadelphia. It combines elements of bocce, golf, chess, and even basketball!
