

Housekeeping Services

Energos Services understand the importance of cleanliness, hygiene and proper housekeeping. Good Housekeeping and clean environment improves the productivity and motivation of employees. We ensure that your workplace remains dust, dirt and germs free. Our staff is regularly trained in housekeeping, operation of equipment's, usage of chemicals etc. We use quality-cleaning materials of reputed companies like Johnson Diversey (Taski products), Kimberley Clarke, DaburBalsara, Unilever, Reckitt Benckiser Matropol, Mo-Clean etc. These products are eco-friendly and maintain the originality and beauty of the office.

Our Technology & Chemicals

At **Energos Services** we use latest technology to get the optimum result in cleanliness and the chemicals used by us are standardized and environment friendly. All the equipment's and chemicals used by us are internationally acclaimed.

Our Team

At **Energos Services** our employees are our biggest assets and strength. Through our extensive training and commitment for excellence, our people bring more than skills; they bring a commitment to attaining success together. We focus not only on developing the right skills, but also collaborative attitude to achieve a common goal.
