SG WOOD

Set in the rolling hills of Florida, Rock & Roll Revival is an annual music event held the beautiful and rustic Florida Sand Music Ranch and will be held Friday thru Sunday, June 9-11, 2023 at the ranch. This is an incredible three day and three night camping festival located just off I-75 at Exit 293.

Rock & Roll Revival is produced by Deep End Productions, LLC partners Alex Kinlaw of Yesterdayze, LLC and Greg Herndon of Thumbs Up Festival Productions, LLC and Mojoe Productions, Inc.

Rock & Roll Revival originally began as the Spirit of Woodstock and 2019 marked the 50th anniversary of the iconic music festival, Woodstock, held on a dairy farm in the Catskill Mountains, northwest of New York City, between August 15–18, 1969, which attracted an audience of more than 400,000.

Now, we are expanding the music and encompassing all of the 1960's, plus Woodstock and all of the 1970's in our music lineup, hence the name change to Rock & Roll Revival!

We invite you to join our phenomenal group of sponsors!
