# COMPANY OVERVIEW

---

## A Brief Introduction

Established in 2021, White and Red Glass & Aluminum Installation & Maintenance embarked on a mission to redefine excellence in the Glass and Aluminum industry. With a strong foothold in the UAE, primarily Dubai, our commitment to delivering unparalleled services in Glass & Aluminum is underpinned by **over 2 decades of expertise** within our highly technical team. Renowned for our partnerships with top-tier hotels and esteemed contractors, we've honed our craft, blending profound industry knowledge with innovative practices, ensuring a foundation built on precision, craftsmanship, and reliability.

# OUR COMPANY

# **ABOUT US**

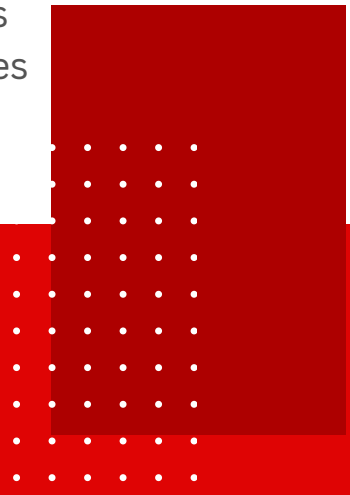

---

At White and Red Glass & Aluminum Installation & Maintenance, we stand as pioneers in the realm of glass and aluminum craftsmanship. Since our founding, our journey has been defined by a relentless pursuit of excellence, setting new benchmarks in the industry.

Our passion for precision and craftsmanship drives us. We're more than just a service provider; we're artisans of spaces, transforming visions into tangible, exceptional realities. Our commitment extends beyond mere installations; it's a commitment to elevating every project with meticulous attention to detail and a promise of unparalleled quality.

With a diverse portfolio spanning intricate Glass designs, robust Aluminum structures, and fine Stainless Steel craftsmanship, our comprehensive suite of services caters to an array of needs. Beyond expertise, our ethos embodies a client-centric approach—fostering relationships built on trust, reliability, and collaborative excellence.

Crafting excellence in Glass, Aluminum, and Stainless steel solutions. With a commitment to precision and customer satisfaction, we redefine spaces with innovative designs and quality installations.

**Trust us to bring your vision to life!**

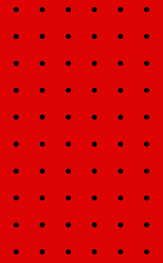

## COMPANY VALUES

- ☑ **Customer-Centric Approach:** We prioritize our customers' needs, ensuring their satisfaction is at the heart of every solution we craft.
- ☑ **Commitment to Excellence:** We uphold uncompromising standards of quality, striving to exceed expectations in every project we undertake.
- ☑ **Innovation and Sustainability:** Embracing innovation and sustainable practices, we drive change and progress in our industry while minimizing our environmental impact.
- ☑ **Integrity and Professionalism:** Operating with integrity and professionalism, we build trust through transparent communication and ethical business practices.

# WHAT WE OFFER

## GLASS, ALUMINUM & SS SOLUTIONS

Highlighted here are a select few of our diverse Glass and Aluminum services, showcasing our comprehensive range:

### Glass & Aluminum Windows & Doors

Our collection encompasses a variety of options, including **sliding, casement, and awning windows**, alongside **swing doors, manual & automatic sliding doors** and **folding sliding doors**; all designed to complement diverse architectural styles. Select from high-quality glass types, including **insulated, laminated, and tinted glass**, providing added security, noise reduction, and energy efficiency.

### Mirrors

Choose from our array of mirror types, including **framed, frameless, and beveled edges**, each offering its distinct aesthetic appeal. Our mirrors are crafted with precision and durability in mind, enhancing both functionality and aesthetic allure in every space they adorn.

### Frameless Glass Partitions

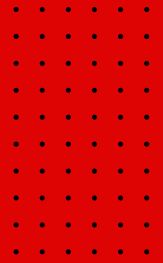

Our specialized craftsmanship merges custom-designed glass with top-tier hardware, yielding an array of lifestyle products. From elegant **glass shower cubicles** and **balustrades** to sleek **frameless entrance doors, kitchen splashbacks**, and innovative **frameless sliding folding doors**, our range is tailored to elevate spaces. Our dedicated team excels in designing solutions that enhance both the aesthetics and value of your home or office, ensuring a perfect blend of style and functionality.

# WHAT WE OFFER

## GLASS, ALUMINUM & SS SOLUTIONS

---

### Skylight Glass

Choose from a range of skylight types, including **fixed, vented, tubular, and pyramid designs**, each offering distinct advantages in lighting, ventilation, and aesthetics. Our skylight glass options encompass various high-quality types, such as **insulated, tempered, laminated, and UV-resistant glass**, providing durability, energy efficiency, and enhanced safety.

### SS/Aluminum Handrails

We offer handrail solutions of both stainless steel or aluminium with sleek glass panels. Choose from a range of styles, including **straight or curved designs**, meticulously engineered for both residential and commercial spaces. Our glass options include **tempered, frosted, or tinted varieties**, enhancing safety while adding a touch of sophistication to **staircases, balconies, or terraces**.

### SS/Aluminum Pergolas

Crafted with precision and elegance, our aluminum pergolas offer lightweight yet resilient structures, blending versatility and low maintenance for seamless outdoor living. Alternatively, our stainless steel pergolas stand tall with exceptional strength and enduring beauty, resisting corrosion while exuding modern sophistication.
