

## Golf Cart Rules

1. Liability Insurance must be maintained on all golf carts operated on the SMCPOA property. Proof of such insurance **must** be sent to the secretary of the homeowners association. Please advise your insurance company to list Shoreline Marina Condominium Property Owners as “an interested party” on your RV policy covering your golf cart.
2. No one without a valid operator’s license is allowed to operate a golf cart on POA property.
3. Golf carts should only be parked in lined spaces. Golf carts are not to be parked on patios or in the grass areas.
4. Golf carts are not permitted on the grass areas of the property unless performing a maintenance issue.
5. Short term rental units are not allowed to provide a golf cart for their renter’s use.
6. For nighttime use, the golf cart must be equipped with headlights and taillights.
