

# BEING A GOOD WITNESS

This is a good form to keep copies by your window, in your car or on you when out & about.  
 Trying to remember things several days later can be difficult.

**Call 911 if a Crime is being committed or  
 Police non-emergency number 808-935-3311**

When a crime is committed, police rely on witnesses to tell them when it occurred, how it happened, where, who, and why. Witnesses are crucial in tracking down the criminals based on accurate physical description and type of vehicle they were driving. The following are helpful things to look for if you are a witness or victim of a crime. *Police need our help!*

*A good witness can help the police find and identify the criminals responsible by simply giving good descriptions. You can practice this on a daily basis simply by describing five things about a person or a car that passes you on the road.*
