Association Dues - Thank You

We have a healthy budget this year with the majority of our members in good standing. This helps us stay focused on keeping the roads up and to fund community cleanup and security initiatives. Thanks to all our members for making this possible!

Illegal Dumping

We continue to have problems with dumping of trash and vehicles at our entrances. The board is investigating a trash service to regularly clean the area. Please help us by taking photos and notes of persons or vehicles dumping trash and send this information to a board member. As a reminder, any unattended vehicles on the road will be towed and please continue to **report abandoned vehicles to Hawaii Island Police department's non-emergency number at 808-935-3311**

Security Update

The Kopua Farmlots Neighborhood Watch (KFNW) meets every 1st Sunday of the month. We continue to have success in reporting crimes and getting police response. Contact Colleen Blailes, or see the website for more details and an **anonymous tip form to report suspicious activity** if you are not comfortable identifying yourself.

Community teamwork fights crime. SEE IT - HEAR IT - REPORT IT.
