

# 2019 Owen Lea Foundation Charity Golf Classic

*To Benefit Families Living with Neuroblastoma*

Dear Sponsor,

Thank you for your consideration to support the 2019 Owen Lea Foundation Charity Golf Classic at Fredericksburg Country Club.

Just so you know, all sponsorships and contributions further our mission of helping families living with Neuroblastoma, a very devastating and horrific childhood cancer. Most people don't realize that Neuroblastoma accounts for 8-10% of all childhood cancers and is the most common cancer in infants. The survival rate of high-risk children (which is 45% of all the cases) is only 40%.

But you and your organization can help...Your cash sponsorships help our foundation provide fundraisers and funding for families' expenses to and from treatments, assistance with utility bills, grocery gift certificates and, more often than not...funeral costs. We also can accept donations of products and gift cards which can be used to support our fundraising activities and special events.

Our Board is 100% volunteer so you can have the confidence that 100% of your support will help a family in need. We prioritize our requests by locality so the majority of our funds stay right here in the community which you live.

The Owen Lea Foundation is a non-profit 501(c)3 organization founded in Virginia by the parents, friends and family of Owen Scott Lea. With Owen's guidance from above, we continuously reach out to any and all families who have a child living with Neuroblastoma.

All donations are tax deductible to the extent allowed by law (Tax ID # 27-0698758).

Please continue to visit our site ([www.owenleafoundation.org](http://www.owenleafoundation.org)) for other opportunities to help us assist families in a time of need. We look forward to continuing our partnership with you.

On behalf of the Owen Lea Foundation,

*Wendy Moore*
