Dear Mr. Ross,

With over four years of experience as a Graphic Designer, I wanted reach out to you with my interest in joining the Abstract Edge team.

In my Graphic Designer position with Tique HQ, I handled tasks very to what you outlined in your job ad. With my ability to learn, I know I can quickly close any knowledge gaps to become an asset to your team.

I created over 300 digital image files for use in digital and traditional marketing. As well, I designed new, on-brand visual elements focusing on social media, messaging, and campaigns.

My strong effective communication skills and the motivation to take on challenging work. I'm also skilled at Adobe Creative Suite, Photoshop and illustration. I am confident that I have the drive, knowledge, and experience you need.

Moreover, my knowledge of WordPress, CSS, and HTML, will allow me to be a crucial part of your team's growth and success.

Oblivious Regional Manager [Michael Scott](#) sees himself as "a friend first, entertainer second and boss third". Michael is entirely unaware that his co-workers would only seldom agree. Michael's offensive shenanigans and jokes turn them off rather than make them laugh.

Rewrite

Michael is always trying to be funny, but his jokes and antics often offend his co-workers. They find him annoying and think he's not serious about his job.
