**Narrative (1)****3557-MAIN****LITZNER, GAGE M 3557****03/18/2021**

On 3/17/2021 at approximately 0621 hours I, Officer Gage Litzner #3557 of the Rosemount Police Department, along with Officers Swanson #3550 and Larson #3562, was dispatched to 4066 151st St W in the City of Rosemount for a medical. Dispatch advised that CPR was in progress for a female.

Incident #: RS21000455

I arrived on scene at 0624 hours. Timothy Thomas Conboy (DOB/1959-05-09) met me at the door and we went into the master bedroom upstairs. Tim advised he last saw his wife, Kathleen (Kathy) Suzanne Conboy (DOB/1959-07-24), breathing around 0500 hours. I observed a female laying on her back, clearly lifeless. I could see that her extremities were light blue/purple in color, but when I touched her she was still very warm. I began CPR. Officer Larson operated a bag valve mask and Officer Swanson attached an AED.

While waiting for EMS and Fire to arrive Officers continued life saving measures. Tim advised that Kathy has a history of heart issues, and has most recently been complaining of a chest cold.

After several minutes Fire and EMS began to arrive. They eventually took over life saving measures.

At approximately 0707 hours I was advised that life saving measures would be stopped, as it was clear the female was deceased.

Police Chaplain Bruce Bentley was requested to respond, and he did. Hennepin County Medical Examiner was called, and advised they would not be responding as it was a witnessed death with no suspicious circumstances.

I completed a Rosemount Police Death Packet, which was uploaded to my digital evidence file.

3550 took photos of the scene.

This case is closed unfounded, as there was no criminal activity, no suspicious circumstances surrounding this death, and the body was released with no autopsy.
