

**A message from our team regarding COVID-19
UPDATED: 06/23/2020**

As you have heard, COVID-19 (Corona Virus) has been infiltrating the community around us. We at Happy Tails want to provide a safe and healthy environment for our staff and our clients. During this time of uncertainty, we are taking strict precautionary measures to ensure this. We have increased our cleanliness and sanitization in the hospital by now including disinfecting all door handles, shared countertops, and telephones, multiple times a day. Hand sanitizer is located in each room and at the front desk for your use. We have posted signs regarding proper hand washing to increase the awareness and to act as a reminder for our staff and our clients. We have instructed all staff who are sick, immune compromised, or have sick symptoms to stay home. We recognize the inconvenience that these protocols may cause but it is our responsibility to protect the health and safety of our staff and clients.

HOURS OF OPERATION:

Monday, Tuesday and Thursday- 8:30am to 6:00pm
