Any products or services not included on this list are not a part of the Plan and the Client will be financially responsible for paying for the cost of any goods and services rendered by the Hospital at the time of appointment.

Please note that if for any reason the Pet needs any of these goods or services rendered, and all instances of that good or service have already been used (For example, the Pet needs another Fecal test due to the possibility of parasites, but both instances were already used) then the Client will be responsible to pay full price for that good and/or service.

Items included and number of instances thereof are *non-negotiable*.

---

## *Kitten Kit Inclusions and Instances Thereof*

---

Therapy Laser Surgery Session	1

**Happy Tails Veterinary Hospital’s Dental Plans do NOT include extractions.** Extractions are charged per tooth and the price of each is dependent upon how many roots the tooth has and if specialized tools were needed to extract the tooth. Each line item with the “BUNDLE” tag includes certain medications that anesthetize or sedate the Pet and have specific quantities which contribute to its pricing. If for any reason our medical team needs to use more of a medication above the allocated amount that we have programmed to the line item, the Client will be responsible for paying the difference.

Any products or services not included on this list are not a part of the Plan and the Client will be financially responsible for paying for the cost of any goods and services rendered by the Hospital at the time of appointment.

Items included and number of instances thereof are *non-negotiable*.
