**THANKYOU**

The three of us would like to extend a very big thank you to all the families who have chosen to enrol in our new Boutique Learn to Swim Program. Swimming has always been a part of our life and we are very excited to be offering lessons here in Rockhampton. We hope everyone is enjoying their lessons and the way the facility is looking. As time goes on, we look forward to improving all the facilities available on site. Once again, many thanks and we look forward to seeing everyone in and around the pool!

**FAQ's**

**TERM LESSONS**

We operate 4 terms of swimming per year. We run in-line with school terms and break from regular lessons throughout the school holidays. As a family we understand that families may want a short break from regular activities. For those families that wish to continue swimming during the school holidays we offer...

**BLOCK LESSONS**

Our block lessons are run during the school holidays and operate as an intensive 5-day program where swimmers come once a day, every day Mon-Fri and we offer both AM and PM lessons. Families can choose to participate for one (or more) weeks. Full payment is required at time of booking to secure your place.

**DOUBLE DIP**

To help consolidate and then accelerate your child's development we offer families the opportunity to "Double Dip". When booking into Term 2, your second lesson is half price! This not only provides swimmers with an opportunity to learn at a faster rate but is also a very affordable option for families wishing to accelerate their child's learning.

**RE-BOOKING EACH TERM**

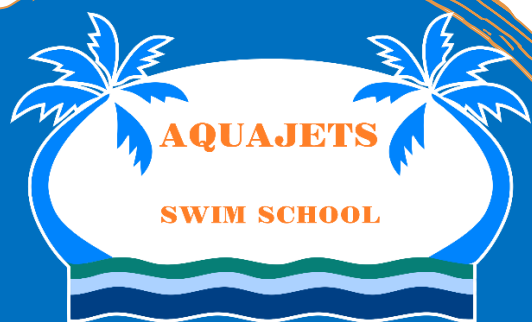

We have always believed in offering our valued and existing families the opportunity to book in prior to taking new bookings. This is why we open bookings for families currently enrolled in lessons prior to accepting new bookings. Full payment is required at the time of booking to secure your place.

**MAXIMUM CAPACITY – QUALITY NOT QUANTITY**

We are a Boutique Learn to Swim provider – which means we believe in providing exemplary customer service and the most current/best teaching practices for your children. As such our program has a maximum capacity of 300 students per week. Once this number is enrolled, a wait list will apply for new families.

**PUBLIC HOLIDAYS**

We do not operate lessons on public holidays. If your regular lesson falls on a day of one, or more public holidays, your term price is prorated when you book in and are not charged the full 10 weeks.

### FAMILY DISCOUNT

As parents, we fully understand the financial strain extra activities can place on families in the current economic environment. Therefore, we offer a tiered package for our families whereby we offer a discount of 10% for your third child and 15% for your fourth child. We are always mindful that each individual family's circumstances differ. Should you experience any problems or issues with fees/payment, please come and see us so we can organise a payment plan.

### ASSESSMENT

Our program is designed to allow each swimmer to be assessed as they attend lessons each week. This allows us to move swimmers when they meet the graduation requirements of their level. Once they complete their level, they will be issued a certificate and moved up. If you have any questions regarding your child's progress, please do not hesitate to come and speak to us at the front desk.

### SWIM CLUB/CLUB NIGHT

CQ AquaJets Swimming Club own the facility we operate out of and as such we are not only affiliated with, but also provide the coaching for their squad/club swimmers.

We are currently in the process of setting up a regular Race Night/Club Night for swimmers who are in our program as an introduction to racing/club swimming. This format is a safe, fun and inclusive environment where swimmers can enjoy making new friends and learn all about racing.

### FEEDBACK

We are always striving to improve our facility and services. If any of our families have suggestions or recommendations regarding how we can improve our services, please speak to either of us the next time you are at the pool.

### OUR APP – SEARCH AQUAJETS SWIM SCHOOL

We are very excited to launch our new app. It is available to download now on Googleplay and will be available in the Apple App Store later this week! This will be your one stop for all information and communication regarding our programs: Learn to Swim, Squad, Aqua, Kindy/School Swimming and Aquatic Training Courses. You will receive important information via notifications straight to your phone. It will also feature exclusive specials for families involved in our programs!
