WELCOME MESSAGE

With Term 2 now half over, we hope everyone is enjoying their lessons and progress within the program. As we move towards Term 3 and then Term 4, we will begin rolling out some new regular events for our families to enjoy each term/year.

We would like to thank all the families who have enrolled, recommended or referred new families to our swim school. The growth of the program has surpassed where we thought it would be after only 16 weeks.

As always, if you have any questions regarding the program or your child's progress please do not hesitate to speak with us when you are at the pool.

Yours in swimming - Brian, Bern & Bella.

LATEST NEWS

DISNEY PRINCESS/MARVEL/STAR WARS WEEK/DRESS UP WEEK

Week 10 is our dress up and lifesaving week! The last week of term we encourage all our swimmers to come dressed up as their favourite Disney Princess, Marvel or Star Wars Character.

We will also be running a competition for all our little ones. Simply take a photo dressed up with one of the cut-out characters at the pool and upload it via the Swim Cam on our app and at the end of the week all submitted photos will be judged by Bella and the winner will receive 1 adult & 1 child cinema pass.

TERM 3 BOOKINGS

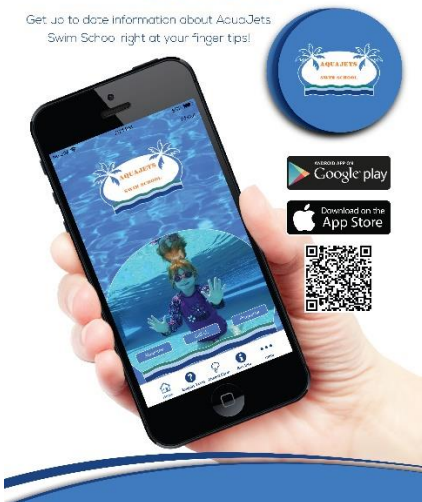

As always, our term 3 bookings will open to existing families prior to us taking new family bookings. With the addition of a new staff member, growth over the past two terms and the program now over 2/3 full, we will be offering the full 300 places. We will also be offering two instructors in the water at the same time (on selected days) which we hope will assist families who have 2 or more children in the program. We will also be utilising both pools with some level 1 classes operating in the second square pool. For all our current families who swam in Term 2 and re-book in Term 3, your term fee will only be \$135 for the 10 weeks.

NEW STAFF

We are very excited to announce that Aria has joined the AquaJets family as an instructor. Aria was accepted into a Bachelor of Early Childhood Education, is fast becoming very popular with the kids and will be our second instructor in the water for Term 3.

MAKEUP WEEK

Due to the heater malfunction we have extended the term by one week for families who swim Monday-Friday AM and PM to accommodate your make up lesson. If you are away during the first week of the school holidays, please see Bern at reception and she will organise an alternate makeup lesson. Once again, we would like to thank everyone for their understanding when the heater was off-line.
