

## **WELCOME MESSAGE**

Term 3 is now half over, and we have had many new families enrol in lessons since the term commenced. We would like to welcome you to the AquaJets family and hope you are enjoying the program thus far.

Please make note of the important upcoming dates in which you will be able to re-book into both regular lessons and our school holiday intensive block lessons. As we are very close to our maximum capacity of 300 swimmers, don't miss out on securing your place.

As always if you have any questions regarding the program or your child's progress please do not hesitate to speak with one of us at the pool.

***Yours in swimming - Brian, Bern & Bella.***

## **LATEST NEWS**

### **LEARN 2 SWIM WEEK 2019**

This is an annual awareness week aimed at educating parents on the importance of teaching kids aged under five to swim. This program is supported by some of the peak swimming bodies in Australia (Swim Australia, Austswim & Australian Swim Schools Association) – all of which we are proudly associated & registered with. To coincide with this, we will also be offering free lessons to children aged over 5 years. We believe learning to swim is a life skill and a skill for life, and we hope that by offering these lessons to swimmers of all ages we can help spread the swimming and water safety message to more families in Rocky. Bookings open on Wednesday 21<sup>st</sup> August. Simply phone Bern on 0401 258 842 to secure your place.

### **SWIM SCHOOL CARNIVAL**

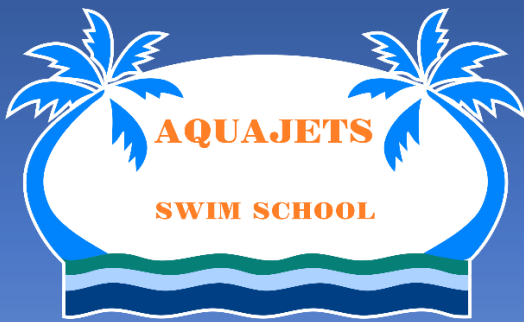

On Sunday 15<sup>th</sup> September at 2:30pm we will be holding our first annual Swim School Carnival. This event will cater for our little swimmers (Seahorse: Level 1) all the way up to Dolphin Squad. We will have several swimming and novelty races for our swimmers to participate in, with helpers in the water for those little ones who still require assistance. To help us organise and cater the event we ask that should you wish to attend please RSVP via email with your family name and how many swimmers will be participating by COB Friday 30<sup>th</sup> August.

### **SCHOOL HOLIDAY BLOCK LESSONS**

Our school holiday "Intensive" block lessons are the best program for building confidence in younger swimmers and developing stroke efficiency in our older swimmers. After feedback from our families we will be offering block lessons both AM and PM throughout the school holidays. Swimmers will attend one lesson, at the same time each day, every day over a 5-day period. This not only consolidates what they have learnt all term, but it will also help them develop further, faster.

### **CONGRATULATIONS**

A big congratulations to Hunter Wyvill, Tyla Ganter, Rhiannon Llewlllyn and Rana Basnet who, for the first time competed for the CQ AquaJets Swimming Club at a recent swim meet in Rocky. It was terrific to see swimmers from our Sharks and Dolphins groups swim like superstars and do such an amazing job of racing! With more families joining the club, we cannot wait to see how many new little superstars compete at the next swim meet!

**RACE NIGHTS**

With two race nights now completed we still have two more on offer for this term. We encourage everyone in our Seals (Level 3) and above to attend. These nights are heaps of fun and a great way to put into practice the skills learnt during lessons.

(You even get some yummy food at the end of the night!)

**Term 3 Dates:**

Wed 28th August 5:45-6:45pm

Wed 11<sup>th</sup> September 5:45-6:45pm

**SLUMBER PARTY (LIFESAVING WEEK)**

This term our theme for lifesaving week is Slumber Party. After seeing so many wonderful costumes last term, we encourage all our swimmers to rock their best PJ's throughout the last week of term. Please have these over the top of your child's swimwear as they will be participating in activities in which they will remain clothed in their PJ's.

**BOOKING IN: TERM 4**

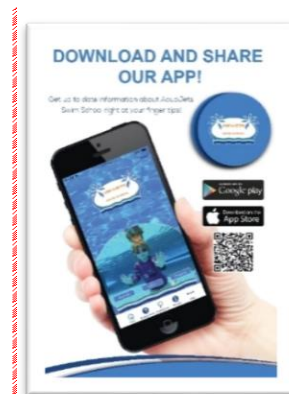

Our summer special for existing customers brings the price of our ten-week term down to only \$120 per child! Families will be able to re-book in from Monday 9<sup>th</sup> September. One of the benefits of joining our boutique program is a guaranteed small and intimate environment due a capped number of enrolments. Due to a number of people booking (and not paying) and then pulling out at the start of this term and having less than 50 available places for new enrolments, all existing and new bookings require full payment at the time of booking to secure your place in our program.

**CQ AQUA JETS SWIMMING CLUB**

Like most other swim schools, we are aligned with a swimming club – CQ Aqua Jets. Brian is also the head coach of the club which keeps continuity for our swimmers as they progress from lessons to squad. Membership to the club is offered to all families who are enrolled in our program. Please see one of us should you wish to find out more.

**OUR APP**

If you haven't already, download our app from either the Apple App Store or Google Play. This will ensure you stay up to date with the latest information. It also has our absentee form, several app exclusive specials and the booking via referral. Simply search "AquaJets Swim School".
