School Holiday Block Lessons
Mon 13th – Fri 17th Jan
Mon 20th – Fri 24th Jan

WELCOME MESSAGE

WOW, Term 4 is now half over and before we know it Christmas will be here. Before we finish our first year operating here in Rocky, we still have several exciting events happening.

Our Swim School Carnival is on this Sunday 24th NOV and is open to all swimmers in Level 1 – Seahorse and above. We also have our Term 5 Summer Special starting soon!

We are very excited by the growth of our Learn to Swim, Squad's, School Swimming and our Kindy Groups. A big thankyou to everyone who has supported our new swimming business, we have loved working with everyone. It has been an amazing 2019 and we cannot wait for 2020!

With several events already planned for 2020, it is shaping up to be a massive year! In addition to our current partnerships, we cannot wait to work with several new groups and continue delivering our swimming and water safety message to Rockhampton and the surrounding communities.

Wishing everyone a safe and Merry Christmas
- Brian, Bern & Bella.

LATEST NEWS

TERM 5 SUMMER SPECIAL

Once Term 4 is completed we will be offering a "Term 5" over the Summer Holiday Period. This will work the same as our regular term lessons (one lesson per week). Lessons will commence in December, break over the Christmas/New Year period, and resume in early January.

Lessons will be offered Mon/Wed/Fri AM & PM. In the event all places fill up, we will open Tuesday and Thursday for bookings.

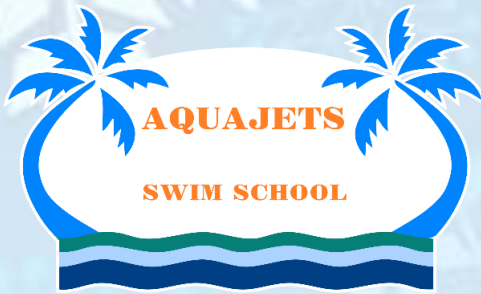

This is the ideal program for families who do not want their children to have a 6-week break and lose touch with the valuable skills they have worked so hard to achieve.

UPDATED SWIMMING CAP POLICY/WATER QUALITY

As our enrolments grow, so too does the number of swimmers in the water.

To help us ensure the highest level of water quality all swimmers in our Level 1 – Seahorse and above are now required to wear a swimming cap while participating in their lessons.

These are available at all leading sports stores as well as at our facility. Please note, this does not include swimmers in our infants' program. We thank everyone for their assistance in helping keep our water clean.

“So much more than just swimming lessons”

BOOKING IN TERM 1 2020

Firstly, we would like to thank all the families who have enrolled in our program since we began in Term 1 2019, and all the families who have enrolled in the program over “winter”. We hope everyone has enjoyed all the specials and loyalty programs that were offered. Our referral program will remain in place for Term 1 2020, so if you know of anyone looking for swimming lessons please make sure they are referred through the app and you will save \$15 per successful referral.

For our existing customers a \$50 deposit per child is required at the time of booking to secure your place in 2020, with the balance payable prior to or on the first day of lessons.

Due to demand we have set up a wait list for specific levels, so don't miss out on securing your place!

BLOCK LESSONS

For families wishing to participate in our intensive 5 Block Program we will also be offering this over the summer holidays.

Swimmers attend one lesson, at the same time each day, every day over a 5-day period. This not only consolidates what they have learnt all term, but it will also help them develop further, faster.

SWIM SCHOOL CARNIVAL/MACCA'S MINI MEET

Following the success and positive feedback from our last swim school carnival, this term we have partnered with Swimming QLD and our swim school carnival will double as a Macca's Mini Meet.

Thanks to Swimming QLD we will have packs available for the first 100 registered swimmers. We would like to take the opportunity to remind everyone that this is open to ALL SWIMMERS IN OUR PROGRAM (Level 1 and above).

We will have events for all ages and abilities with racing commencing at 11am on Sunday 24th November. Please RSVP via our app under the “Upcoming Events/Make a Booking” section. We hope to see everyone there for some fun races and novelty events!

THANK YOU

We would like to thank the CQ AquaJets Swimming Club for providing us the opportunity to utilise their facility. Without access to the facility and their support, we would not be able to provide the programs and services currently on offer. We look forward to a long and successful partnership.
