✧ Take the Tour

The Mooresville Christmas Light Tour takes place nightly from dusk until 10 p.m. from December 1 to 31, 2024. Review our map, gather your family and friends, and set your car's Christmas music before setting off to enjoy the lights! This year, we've created a **Red Tour** and a **Green Tour** to help those who want to make a couple of trips out to enjoy the festive lights.
