## Take the Tour

The Mooresville Christmas Light Tour takes place nightly from dusk until 10 p.m. from December 1 to 31, 2025. Review our map, gather your family and friends, and set your car's Christmas music before setting off to enjoy the lights! This year, we've created a Red Tour and a Green Tour to help those who want to make a couple of trips out to enjoy the festive lights.

## Vote for Your Favorite Tour Stop

Once you've completed the tour, cast your vote for your favorite Tour Stop. The top stops will receive prizes for participation. Voting is available from December 1 to 31, 2025. Visit [moorevillelights.com](http://moorevillelights.com) to vote. Please note, each person may vote only once.
