## NIRAAMAY FRESH CUSTOMER

---

Dear Niraamay Fresh Customer,

As the year draws to a close, **we've made the challenging decision to shut down operations of Niraamay Fresh effective 25<sup>th</sup> Dec-2025.** Marching towards my age of 70 now, I wish to take a break. This more than 6 years of journey has been one of immense learning and growth, but despite our best efforts, there was no other way forward.

Your belief and trust in us have been the driving force behind our every step. We're grateful beyond words for every customer like you.

While this chapter ends, the bonds and memories we've created endure. I'd love it if you could share your favorite moments and stories with us as we close this amazing chapter of our lives. Thank you for being part of our journey..

I'm eternally grateful to everyone that was involved. I wish my team, investors, and customers all the best. Here's to an amazing future, all the best again.

Sincerely,

Niraamay Fresh Team
