Newsletter Spring 2 2026

This half term, we will be looking at how we can be healthier and we will be looking for signs of spring. We will be using the books Handas Surprise and the Hungry Caterpillar to help us with our learning. We would like to encourage the children to look for signs of spring while they are with you. If they spot anything please do take photos and pop them onto tapestry so that we can look at them with your child.

On the 7th March Artemis 2 is hoping to be launched in America. The first Rocket to carry humans around the moon since 1972. We are going to follow the rocket launch and do some fun space themed activities!

Our policies are now all updated and listed on our website www.mvns.co.uk

Junk Modelling - As part of our Sustainability Actions we are asking for you to help us to fill our junk modelling bag with your recycling. We do ask that any packaging that you donate to us is packaging that has not contained any nuts. The bag will be out over the next few weeks for the children to fill up. Thank You!

4th March - World Book Day: We would like to invite children to dress up (please, there is no pressure to go and buy anything) and to bring in their favourite book to share with their friends.

POLLING DAY AND NURSERY CLOSURE - THURSDAY 7th MAY 2026 NURSERY WILL BE CLOSED.

We would also love to see your comments on photos and observations of your children on tapestry as well as things that you get up to at home. This is such a great home link for us and wonderful talking point for the children which will help with their speech and language and communication skills. If you have trouble logging on to tapestry please do come and speak to Jo.

Reminders

- Please remember to send your children in with wellies, waterproofs and long sleeve tops for forest related activities.
- Please be prompt when collecting children for 3pm. Several of the staff need to go and pick their own children up so being late, can cause delays for them.
- Please can we also ask that at the end of the day children remain close to you and not run around the hall. We have safety rules in place during the sessions and one of these in particular is no running in the hall. It would be great if you could help to reinforce this at the end of the day. Thank you.
- Please ensure that **ALL** personal possessions are named.

LUNCHES

Please check that your child's lunch box is clearly marked with their name. Sausages, grapes and tomatoes should all be cut in half down the length of the item. **Please ensure your child's lunch box does not contain any foods with nut content, e.g., cereal, muesli bars etc.** Your full cooperation would be appreciated. We would also remind you that in keeping with healthy eating PLEASE DO NOT PUT SWEETS or chocolate in your child's lunch. This nhs link has some great ideas for pack lunches <https://www.nhs.uk/healthier-families/recipes/healthier-lunchboxes/>

EMAIL – info@mvns.co.uk

Please, please remember to check your emails. This is the quickest way for us to get information to you regarding nursery. Let us know if your email changes.

However, if you need to speak to us, or get information to us, it is always advisable to phone. Although we check the emails regularly, at weekends or during holidays there is always the possibility that we will not access the email address daily and therefore could miss something important.

ON LINE TAPESTRY/JOURNALS – CARE DIARY

It is very important that everyone looks at their child's journals on a regular basis. Input from home is extremely valuable, giving a much clearer picture of how your child is developing and the progress being made. There is a "Care Diary" facility that can be found under the menu tab. We are using the toileting icon. This will detail times when your child has had their nappy changed. We also use the First Aid facility, so if your child has an accident, we will ask you to sign our ipad. The download will then be emailed to you.
