## 10. Multiple Birth Policy and Siblings

---

The following guidelines should be used at all times when multiples siblings attend the nursery

- We will not refer to the children as twins/triplets etc.
- The children should not be compared to each other.
- Where appropriate the children will be offered time apart.
- The children will each have a different key worker.
- If children have SEND needs we will carefully consider key workers and it may be that both children have the SENDCO as their key worker. This will be carefully considered and discussed with parents/carers.
