26. Students Policy

We recognise that the quality and variety of work which goes on in a Nursery School makes it an ideal place for students on placement from school and college childcare course as well as those on the Diploma in Pre-School Practice or Tutor Fieldworker courses.

Students are welcomed into the Nursery School on the following conditions:

- The needs of the children are paramount. Students will not be admitted in numbers which hinder the essential work of the Nursery School.
- Students must be confirmed by their tutor as being engaged in a bona fide childcare course which provides necessary background understanding of children's development and activities.
- Students required to conduct child studies will obtain written permission from the parents of the child to be studied.
- Any information gained by the students about the children, families or other adults in the pre- school must remain confidential. Students will be asked to sign a confidentiality agreement
- Unless registered as fit persons, students will not have unrestricted access to children.
- Students will be fully supervised at all times whilst working alongside children.
- If students are aged 16 or above a DBS check will be required.
- Students will have an induction completed by the manager or deputy manager.
- Students of school age will not be allowed into the bathroom areas. Students aged 16 and have DBS Check will be allowed in to help with hand washing only and will be accompanied.

- Students aged 16 and above, and apprentices are able to count in staff:child ratios at the level below their level of study, if the manager is satisfied that they are competent and responsible. This will be deemed by a checklist of tasks, responsibilities and staff in-put.
