Tapestry

Prior to your child starting a tapestry account will be set up. We ask that you please fill in the 'All About Me' section on tapestry as this will aid us in helping your child have a positive experience at nursery. During their first few days at nursery we will use tapestry to send photos and observations of your child's first experiences with us. Please keep an eye out for notifications on your account. Throughout your child's times with us there will be regular tapestry updates. We encourage you to also use tapestry updating us with exciting things your child has done, milestones reached and 'home life'.

Towards the end of their first half term a "settling in review" will be completed by the key worker and an appointment for a meeting will be arranged. Termly, a progress review will be written and meetings will be made. However, should you wish to discuss your child's progress at any time, please do not hesitate to get in touch.

Please do keep an eye on your child's tapestry account, and 'like' and 'comment' on their observations.

There will also be a progress check carried out when your child reaches 27 months and no later than 31 months. This will be held at the Nursery and arranged by your key worker. This is referred to as their 2 year progress check.

Things to bring

We kindly ask that a large shopping style bag is used for the children. All items are then in one place and can be easily accessed by the children to encourage their independence.

It is preferred that no plastic carrier bags or bags with a drawstring are used to store boots or clothes please.

Please ensure that the children have daily (seasonal dependent) -

- Water Bottle
- Lunch Box
- Coat
- Wellies
- Waterproof trousers/suit
- Spare Clothes/layers
- Nappies, wipes and cream where needed
- Sun Cream
- Sun Hat

PLEASE MAKE SURE ALL ITEMS HAVE A CLEAR NAME ON

We ask that the children have waterproofs daily. Although we have set sessions that we use the wooded area we do also make use of our beautiful surrounds and we explore the field during other times so the children must have wellies, waterproofs and coats. In the warmer weather the children are still required to wear wellies and waterproof trousers and will need a long sleeved top. We do have spare wellies and waterproof trousers.

Please ensure your children are dressed appropriately for the weather. We are a setting that believe in the great benefit of fresh air and the children have free access to the patio, meaning the doors are open and it can get chilly!

Settling in

All staff will have read your child's 'All About Me'. You will be assigned a child's key worker before your arrival. On your first visit, the key worker will be with you, getting to know you both and for your child to begin to build a relationship with. We suggest that you stay for about an hour on the initial visit. The next sessions on from this will be tailored to individual needs. If you feel you are able to leave at any point then please do (there is lovely cafe in the shop if you don't wish to go to far!).

For more information regarding settling in please refer to our policy found on our website or a hard copy in the foyer.

If you have moved from another setting to ours, or, have joined as a multiple setting, we would really like to have your permission to contact settings to find out how your child has settled in with them.

Comfort Items

We do ask that no toys are brought into nursery (the children do have a chance to bring a toy in during their special week). However if your child has particular comfort item that they need, then they are welcome to bring it. Once they are settled we can put it into their bag.

Home Visits

If you feel a home visit by the manager/supervisor would be beneficial prior to your child starting nursery, please get in touch to arrange.

Arrival

Nursery doors open at 9am. There may a queue at the door and we please ask for you to queue down the ramp and around the corner of the building to stay safe in the car park. Once settled and happy to come in the children are encouraged to come in through the doors by themselves and greeted by a member of staff and where possible their key worker. If a little unsettled then, of course, you are more than welcome to come in with your child.

The children are encouraged to find their lunch box and drink and put it onto the table. We then help them to take their bag and coat and put it onto their peg. The children are then encouraged to wash their hands and then find their name and picture and put it onto the board.

Routine

During the morning the children are occupied with a wide range of activities relevant to their interests and choice. Every morning there are table top activities, a craft table, large construction or floor activity, home corner, book corner and physical equipment outside.

At **10am** snack is offered to the children on a rolling basis. The children have the opportunity, when ready to come and have something to eat and drink. We respect the children wishes when they are not hungry and they are encouraged to have a drink from their own water bottle instead of joining us at the table.

You will find all of our policies on our website as well as in the setting in the foyer.
We would like to draw your attention to the below policies

Complaints Procedure

Our nursery believes that children and parents are entitled to expect courtesy and prompt, careful attention to their needs and wishes. We welcome suggestions on how to improve our nursery and will give prompt and serious attention to any concerns about the running of the nursery. We anticipate that most concerns will be resolved quickly by an informal approach to the appropriate member of staff. If this does not achieve the desired result, we have a set of procedures for dealing with concerns.

We aim to bring all concerns about the running of the nursery to a satisfactory conclusion for all of the parents involved.

To achieve this, we operate the following complaints procedure:

Stage 1: any parent who is uneasy about an aspect of the nursery school's provision talks over, first of all, his/her worries and anxieties with the nursery supervisor.

Stage 2: if this does not have a satisfactory outcome, or the problem recurs, the parent moves to stage 2 of the procedure by putting the concerns or complaint in writing to the supervisor and the owner of the nursery.

Most complaints should be able to be resolved informally at *Stage 1* or at *Stage 2*

Stage 3 the parent requests a meeting with the nursery leader and the owner. Both the parent and the leader should have a friend or partner present if required. An agreed written record of the discussion is made. All of the parties present at the meeting sign the record and receive a copy of it. The signed record signifies that the procedure has concluded.

Stage 4 if at the stage 3 meeting the parent and nursery cannot reach agreement, an external mediator is invited to help to settle the complaint. This person should be acceptable to both parties, listen to both sides and offer advice. A mediator has no legal powers but can help to define the problem, review the action so far and suggest further ways in which it might be resolved.

The mediator keeps all discussions confidential. S/he can hold separate meetings with the nursery personnel, and the parent, if this is decided to be helpful. The mediator keeps an agreed written record of any meetings that are held and of any advice s/he gives.

Stage 5 When the mediator has concluded her/his investigations, a final meeting between the parent, the pre-school supervisor and owner is held. The purpose of this meeting is to reach a decision on the action to be taken to deal with the complaint. The mediator's advice is used to reach this conclusion. The mediator is present at the meeting if all parties think this will help a decision to be reached.

A record of this meeting, including the decision on the action to be taken, is made. Everyone present at the meeting signs the record and receives a copy of it. This signed record signifies that the procedure has concluded.

The role of the Office for Standards in Education, Early Years Directorate (Ofsted) and the Local Safeguarding Children Board:

Parents may approach Ofsted directly at any stage of this complaints procedure. In addition, where there seems to be a possible breach of our registration requirements, it is essential to involve Ofsted as the registering and inspection body with a duty to ensure the National Standards for Day Care are adhered to.

If a child appears to be at risk, our nursery follows the procedures of the Local Safeguarding Children Board.

In these cases, both the parent and the nursery are informed and the nursery supervisor works with Ofsted or the Local Safeguarding Children Board to ensure a proper investigation of the complaint followed by appropriate action.

A record of complaints against our nursery and/or child and/or adults working in our playgroup is kept, including the date, the circumstances of the complaint and how the complaint was managed.

Collecting your Child from Nursery School

Your child's safety whilst in our care is of the utmost importance to us, and we feel it in their best interest to ask you to follow the guidelines set out below when arrangements for collecting your child need to be changed.

If you require your child to be collected by somebody who isn't on the designated list, please speak to a member of staff and we will assist you with a collection form where a password will need to be given. We have daily and long term collection forms available.

In an emergency situation this may also be completed over the phone. For more information regarding this please ask..

We are sure you will agree that these measures enhance, what is already a safe and secure environment for your child, and your full co-operation would be very much appreciated.

Due to registration and insurance restrictions it is very important that we keep an accurate record of children on the premises, and children should leave at the end of their session promptly. This is of particular importance when we are running an afternoon session and the staff/child ratio is maintained. However, we do understand that sometimes it is unavoidable that you are going to be late collecting. In these circumstances, please telephone the nursery as soon as possible to advise us of the situation. This enables us to arrange staffing, and to reassure the child all is well.

Procedure for uncollected Children

Our Nursery has the highest regard for the safety of the children in our care – from the moment they arrive to the moment they leave.

At the end of every session, the nursery will ensure that all children are collected by a parent, carer or designated adult, in accordance with our procedures for the collection of children. If for some reason a child is not collected at the end of a session, the following actions will be implemented.

- If a parent, carer or designated adult is late collecting and has not notified the nursery of any delay the Supervisor will call the contact numbers given on the register, in order to ascertain the cause for the delay, and how long it is likely to last. Messages will always be left on any answerphone requesting a prompt reply.
- Whilst waiting to be collected, the child will be supervised by at least two members of staff who will offer them as much support and reassurance as is necessary.
- If, after repeated attempts, no contact is made with the parent, carer or designated adult, and a period of 20 minutes has elapsed, the Supervisor will call the police service for advice.
- In the event of the police being called and responsibility for the child being passed to a child protection agency, the Supervisor will attempt to leave a further telephone message with the parent/carers or designated adults' answerphone. Furthermore, a note will be left on the door of the nursery's premises informing the parent, carer or designated adult of what has happened.
- The child will remain in the care of the nursery until they are collected by the parent, carer or designated adult, or alternatively placed in the care of the police service, at all times.
- If we are asked to vacate our nursery premises we will endeavour to wait in Milland Village Shop/Cafe or the Rising Sun Pub.
- Incidents of late collection will be recorded by the Supervisor and discussed with the parent/carers at the earliest opportunity. Parents and carers will be informed that persistent late collection may result in the imposition of a fine to cover additional costs incurred by late collection.

- 9) Any serious misuse of Social Networking sites which has a negative impact on Milland Valley Nursery may be regarded as a disciplinary offence. This includes any conduct which may, in our opinion, damage Milland Valley Nursery's reputation or undermine our policies, breach confidentiality, or defame a third party. Please consider whether your communications are appropriate and professional. This includes comments made through Instant Messenger applications.
- 10) If parents become 'friends' on the social networking site, staff should ensure that no discussion/statement relates to the setting or anyone involved at the setting, whether it be negative or positive.
- 11) What you post on a site is open to scrutiny by others, and may impact on your role within the setting where outside activities are discussed.
- 12) Employees are discouraged from having parents as their friends on social network sites. Milland Valley Nursery School does not discourage staff from using such services. However, all should be aware that Milland Valley Nursery School will take seriously any occasions where the services are used inappropriately.

18.3 Social Network Policy: Use of Social Network Sites Personal Safety

- 1) Protect your own personal information online. The threat of identity theft can be significantly reduced if you exercise caution regarding the data you make public. Do not publish personal data (including, but not limited to, address, telephone numbers, date of birth) or any details which advertise, for example, that your home is empty for 2 weeks whilst you are away on holiday.
- 2) If you decide to meet someone in person from online, go to a public place and let friends and family know your plans.

18.4 Social Network Policy: Family Safeguarding

In accordance with our Safeguarding Policies, Families are asked to sign a declaration in which they agree to never post images and videos on social media of nursery events and images or videos from tapestry to social media accounts.
