

CODE OF CONDUCT

The following document outlines our club's code of conduct for parents and players as our club and our club members have a responsibility to promote high standards of behaviour in the game.

The TSA Respect initiative is designed to ensure soccer can be enjoyed in a safe and positive environment. It is imperative to remember that youth soccer is a time for kids to develop their technical, physical, tactical and social skills. Winning is NOT everything!

As a Spectator/Parent/Guardian, you have a big part to play. That is why the TSA and our club is asking every spectator/parent/guardian to follow Respect Code of Conduct.

PARENTS CODE OF CONDUCT

1. I shall not force my child to participate in the sport unless their participation is willing and for their own enjoyment.
2. I will support my child, no matter the outcome of the game and will teach them that doing their best is more important than winning because children play soccer for fun.
3. I will applaud effort and good play as well as success.
4. I will encourage my child to adhere to the rules and to try and resolve conflicts without resorting to verbally abusive, hostile or violent behaviour. I will avoid criticizing a player for making a mistake because I understand that mistakes are part of a player's learning process.
5. I will lead by example and will refrain from using any verbal or physical measures that might diminish the integrity of the club.
6. I will refrain from giving instructions to the players and respect the judgement and integrity of the coaching staff and will not question the officials' judgement in public or during a session.
7. I will remain outside of the field of play (i.e. training and/or game time) at a minimum of 3 feet from the sidelines.
8. If a conflict arises, I shall attempt to resolve it through a positive, constructive approach with the coaches before escalating the issue to club management. During the conflict resolution, I will always respect the rules and maintain self-control.
9. IMPORTANT! I will be responsible for my child's timely arrival for practice and/or games at the designated times. This means:

CODE OF CONDUCT

- a. I will show up to practice at least 10-15 minutes before the scheduled practice to check-in with coach and help child get changed (if necessary) before leaving the practice grounds. This helps the coaches and the club administrator ensure any necessary paperwork and/or communication from OSATSA officials are understood.
 - b. I will drop-off my child/show up to games at a least 40 minutes before the scheduled game to check-in with coach, help child get changed, and/or get the child ready for a short warm-up (if necessary) before leaving the practice grounds.
 - i. Should my child be late to practice, I will be responsible for notifying the coaching staff via telephone, chat, and/or email at least 1hr before practice.
 - ii. Should my child not be able to come to a game, I will be responsible for notifying the coaching staff at least 48 hours in advance of the scheduled game date. The Club understands that at times unforeseen and emergency circumstances may arise and in such cases, please let us know once situation settles and/or when you are able to.
 - iii. Should my child need a ride to practice/game, I will contact the club's administrator and/or another trusted parent/guardian to schedule a drive-share and will provide the club's administrator with the contact details of any such substitute.
 - c. I will pick-up my child following completion of a practice and/or game.
10. I will never come to a session while under the influence of drugs or alcohol.
 11. I will respect the other teams' players, parents and coaching staff and will conduct myself in an appropriate way, upholding the club's policies and leave all personal preferences and disagreements aside.
 12. I will not participate in any form of bullying against another individual, be it in person or electronically and will refrain from any behaviour that might result in the team being penalized for my actions. I will obey any request from the coaching staff to leave the session due to any such behaviour.
 13. I will lead by example and will not discriminate against any individual irrespective of their physical appearances, athletic ability, gender, ethnic or racial origin, sexual orientation, age, religious belief, political belief, disability or economic status.

CODE OF CONDUCT

14. I understand that the coaches' focus is to assist players in developing their full potential and not focus on administrative, recruitment, or sponsorship efforts. Thus, any administrative questions, such as player registration, membership fees, training costs, league costs, uniform cost, etc. will be directed to the club's administrator not the coaching staff.
15. I will avoid any solicitation with other club members, parents, and spectators.
16. I will avoid any sponsorship discussions with club's coaches and assistant coaches. I will direct all such discussion to club's sponsorship lead.
17. I will ensure that my membership dues are paid on time in accordance with the membership package selected. If I am unable to comply with my membership agreement, I will contact the club's administrator and discuss alternative options.
18. I will follow club's guidance and rules re: player registration, league registration, and festival registration.
19. I will ensure to notify the club's administration when I fail to understand requirements or club's expectations of me. This means being diligent in keeping up to date with Club's WhatsApp group chat and/or club's emails and/or alternative means of communication with the club.
20. I will adhere to all guidelines set out in this document and acknowledge that failure to do so may result in the removal of myself or my child from the session and could result in further sanctions.

I understand that the above conduct is in alignment with the club and TSA requirements. It is the club's and TSA's responsibility to ensure all parents or guardians are aware of any infringements of the Code of Conduct.
