The Alternative Risk Landscape: Exploring Your Options

October 2, 2025 2:30 PM-3:30 PM PT

Salon 4

As traditional insurance costs rise, many organizations are turning to alternative risk solutions to manage their exposures. This session will explore when to consider transitioning, the pros and cons of options like captives, deductibles, self-insurance, and fronts, and emerging trends in the alternative risk landscape. Join our expert panel for an insightful discussion on risk financing strategies that can optimize your organization's coverage and cost efficiency.
