Choices to protect what you've worked so hard to build

Each individual's lifestyle and needs are different from the next. Voluntary benefits from Colonial Life — on both an individual and group platform — offer a broad range of financial protection options for employees and their families.

Disability Insurance

- **Individual Disability** – A short-term disability product that replaces a portion of income for on/off-job or off-job only disabilities. Optional features include psychiatric and psychological conditions benefits and waiver of elimination period for first day hospital confinement. Guaranteed-issue and simplified-issue options are available.

Life Insurance

- **Individual Term Life** – A term life insurance product that offers three level term options (10-, 20- and 30-year), level death benefits, family coverage and guaranteed rates. It is guaranteed renewable to age 95 and convertible to age 75.

Spouse and eligible dependent children coverage is available with all life products.

Accident Insurance

- **Individual Accident** – A guaranteed-issue, composite-rated, guaranteed-renewable accident product that offers several coverage levels to fit all budgets. Employer-optional benefits are available to customize the accident product offering. Additional employee-choice riders can create a comprehensive product package.

Special Risk Insurance

- **Individual Cancer** – A cancer product that pays indemnity-based benefits to help cover medical and non-medical expenses related to cancer diagnosis and treatment.

Supplemental Health insurance

- **Individual Medical BridgeSM** – A hospital confinement indemnity product that supplements your core medical coverage, offering benefits such as hospital confinement, health screening or wellness, rehabilitation unit confinement and doctor's office visits. An HSA-compliant plan is available.

Important coverage features:

- With most products, coverage is available to spouses and eligible dependent children.
- Benefits are paid directly to the insured, unless specified otherwise.
- With most products, employees can continue coverage with no increase in premiums if they retire or change jobs.
- With most products, employees may receive benefits regardless of any other insurance.
- Premiums are payroll deducted for easy administration.
