

OPPORTUNITIES

Day 4

Learn

Fire Horse doesn't reward effort it responds to alignment. Visualise your Fire Horse, then evoke the feeling you want and be intentional with today's actions.

Your front door is energetically important. Each time you come home you can be greeted by a clean, clear and inviting front entrance.

Do

Refresh your front door energy. This is where opportunities enter it should feel clear, clean and inviting.

- Take a Before photo of your front door.
- Set your timer for seven minutes or play some songs that evokes a Fire Horse feeling:
 - Independence
 - Courage
 - Confidence
 - Creativity
 - Passion
 - Freedom
 - Alignment

Do continued

- Sweep the path leading to your front door
- Clear any cobwebs, leaves and dirt that have accumulated at your front door
- Shake your front door welcome mat if you have one
- Clean your front door and door handle
- Consider beautifying the area with a plant, mat or door charm.
- Blow some cinnamon into your front door whilst thinking or saying "Money grows where the cinnamon goes"
- Take an After photo.

Share

Share a photo on your social media of one or more of today's actions.

Daily prizes

Complete today's share task and tag me ([kerrysimmonscoaching](#)) on your socials to go into the drawer to win your choice of a front door welcome mat, plant or door wreath.

Outcome

By continuing this practice regularly throughout the Fire Horse year, you will bring much more focused attention to your space and synchronicities are likely to occur.
