

*The mission of the Milton Panther Education Foundation is to strengthen and empower students for 21st Century success.*

## **Save the Date!**

The Third Annual Homecoming Weekend Social and Silent Auction Fundraiser is Friday, October 6, 2017, from 8 to 11 p.m., at the Wynding Brook Golf Club. This free annual event is held in conjunction with Milton Area High School's Homecoming Weekend festivities. It is a wonderful opportunity for all "friends of education" to enjoy good music, hors d'oeuvres, dancing, conversation, and great silent auction items while benefitting the Foundation and innovative instructional projects and programs at Milton Area School District. Alumni, family, community, and friends . . . All are welcome!

## **How to Donate**

Would you like to support the Milton Panther Education Foundation in its efforts to provide the best possible education for all students in the Milton Area School District? Visit the [MPEF website](#), click the orange DONATE button, and choose **Milton School District—Panther Education Fund** from the Organization Endowment and School Foundation Funds category.

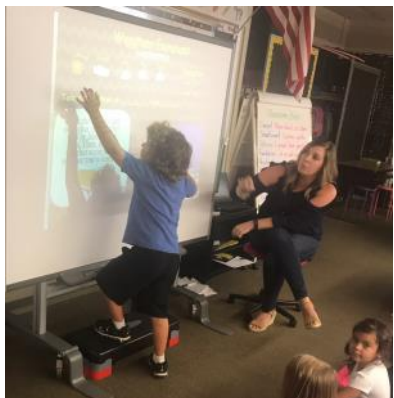

You can also send a check payable to CSCF, Memo—MPEF to:

Milton Panther Education Foundation  
PO Box 132  
Milton, PA 17847

Does your company "dress down" on Fridays for a cause? Consider the Foundation!

## **From the MASD Classrooms**

Goals and priorities of the MPEF include supporting innovative instructional projects and programs that use research-based practices with emphasis on Science, Technology, Engineering, Literacy, Mathematics, and the Arts. The Milton Area School District is focused on "digital conversion," believing that innovatively leveraging technology by extending, enriching, and deepening everyone's personal learning will foster the skills necessary to compete globally, nationally, regionally, and locally. Here's a peek into a few classrooms:

Top left to right: Students use STEM skills collaboratively to problem solve; Microsoft OneNote provides an interactive digital tool for learning, thinking, creating, and sharing; Interactive whiteboards empower student learning; Tables replace desks to promote collaborative learning.
