Coaches before the game:

1. Please speak to the opposing team's coach and let them know you'd like to do a quick pin presentation immediately after the game. Suggest right after the hand-clap line exchange.
2. Please speak to your team and let them know we are planning on awarding a pin and to keep an eye out for good sportsmanship during the game. Encourage discussion amongst teammates during the game.
3. Choose a delegate from the team to present the pin.
***If you saw multiple athletes presenting good sportsmanship, please feel free to give out multiple pins.

Coaches during the game:

1. If you remember, remind the players to keep an eye out or make mention of any good sportsmanship you may see.

After the game:

2. Line the two teams up in two parallel lines facing each other.
3. Coach, quickly explain to the other team what is happening.
4. Have chosen delegate present the pin to the chosen recipient from the opposing team.
5. Celebrate & take a quick picture if you can. Please submit to choosesportsmanship.com or choosesportsmanship@gmail.com if you'd like it featured on their website.
