Some Interesting Crystal Valley History:

- The original CV Church was lost to a fire which is why a new one was built.
- The former "Brown Store" also housed the Post Office and the Bank (pictured above).
 - Tours of the store will be available the day of our celebration.
- The original Town Hall was located in the grassy lot across from the church.
- Crystal Dam was built in 1936 under Roosevelt's New Deal Program.

Please join our celebration to hear even more history about our small little community!
