

Cedar Rail Family Campground

Garbage Regulations 2024

Do not bring your garbage or recycling from home. Dispose according to your regulations at your home. Anyone caught bringing garbage INTO the campground will no longer have garbage privileges here.

Camp management will be picking up your garbage and recycling at your site. Please have garbage and recycling out at the road by 6:00 pm. Thursdays and Sundays, as well as Monday of long weekends. **We do not pick up garbage any other day, so do not put it out at any other time. If you will not be here on a Thursday or Sunday, take your garbage home with you.**

All bags are to be clear and tied securely. **DO NOT USE OLD OR RIPPED BAGS!!!!**

GARBAGE MUST BE SORTED INTO THE CATEGORIES LISTED BELOW:

Garbage: Non-Recyclable garbage, kitchen waste, diapers and flushable wipes. Put in a clear bag.

Recyclables: See recycling information on the back of this page. Please put plastic bottles, food and beverage cans and glass bottles and containers in one bag, and flattened boxboard and paper in a separate bag.

CORRUGATED CARDBOARD: SHOULD BE SEPARATE AS WE NOW HAVE A SEPARATE DUMPSTER FOR THIS.

Fire Pit Cleanings: Put in a clear bag or box that can handle the weight.

Batteries: Put in a clear bag.

Wood: can be piled and left by your garbage and we will pick it up.

The following will be picked up Mondays at 12:00 noon (except for long weekends when it will be picked up on Tuesdays)

Plant & Grass Cuttings: Put in biodegradable paper bag – ensure **NO GARBAGE** is mixed in.

WE WILL NOT TAKE: TIRES, FREEZERS/REFRIGERATORS, MOTOR OIL, MATTRESSES OR MEDICAL WASTE. You will have to look after these things yourself, by taking them to the Sullivan Township Dump (and mention that you are a seasonal camper at Cedar Rail Family Campground) or to your own dump where your permanent residence is.

Garbage MUST be sorted – this will be STRICTLY ENFORCED!!! We cannot have our maintenance staff sorting through kitchen waste. It must not be mixed in with any of the other bags. If staff finds that your garbage is not sorted properly, YOU WILL BE CHARGED AND INVOICED A SERVICE FEE!

ABSOLUTELY NO DUMPING IS ALLOWED AT THE DUMPSTERS, BEHIND THE DUMPSTERS OR BACK THE LANE BEHIND THE DUMPSTERS!!! PLEASE DO NOT DUMP ANYTHING INCLUDING ASHES, CLIPPINGS, LEAVES, ETC IN THE FENCE ROWS AROUND THE CAMP!!

THERE IS NO GARBAGE PICK-UP BEFORE MAY 1ST OR AFTER OCTOBER 15TH !

Thank-You for your help in this matter!!
