

Seasonal Camper Code of Conduct 2021

This code is in effect from the 3rd day of June, 2021.

Campers,

Cedar Rail Family Campground welcomes you back! Please read this Code of Conduct (the Code) and review it with all family members. The rules in this Code must be followed to ensure we all stay safe and do not engage in activities that contravene any Provincial or Federal Government regulations and ensure we comply with all health regulations. It is important to remember that, ultimately, we are all in charge of our own health and safety. Please remember to bring a mask and gloves or hand sanitizer for the occasion that you will need it.

This Code is over and above our normal campground rules, which still apply. Strict enforcement of all rules will be in place for all registered names on your occupancy agreement. Any camper, regardless of age who breaches this Code will be asked to leave the campground immediately and your Licence of Occupation will be cancelled immediately.

If you have a fever or flu-type symptoms, please stay home. If you have tested positive for COVID-19, are a presumptive case, or have been in contact with anyone who has tested positive or is a presumptive case, we request that you do not attempt to enter the campground. Please remain at your residence until you have been cleared by your local health department and/or you have finished your self-isolation of 14 days.

If you are returning from travel from outside of the province of Ontario, do not plan to visit the campground for a period of 14 days, please remain home.

Roadmap to Reopen Regarding Operations

At this time, we will be operating under the following rules. These rules may change as the Ontario or Federal Government amends legislation. Please see attached chart.

Entrance to the Campground

Every time you enter the front gate, you are to self screen. We have attached a copy of the self screening questions and these are also posted at the front gate. The same process should be done prior to entering any building.

Walking around the Campground

At all times campers must obey social distancing rules and gathering laws as mandated by the Province of Ontario. You must stay 2 meters or 6 feet away from other campers. You may use walking trails if social distancing rules are followed.

Children and/or Under the age of 10

We expect that all parents will ensure their children always obey the rules. If your children cannot follow these rules, please do not bring them to the campground at this time. Children should be accompanied by an adult at all time when off-site. This includes activities such as bicycling and walking.

Events/Activities

Events and Activities that can be undertaken obeying all social distancing and gathering restrictions will only be run. More information will follow throughout the season.

Pond Toys

Information regarding the pond toys will be released upon consultation with the Public Health Unit.

Limit of campers in an area

Campers are expected to respect and obey all signage which restricts the number of people permitted in certain areas. Social distancing and gathering rules must be followed.

Masks/Face coverings

At this time, the provincial order dictates that face coverings/masks are to be worn indoors, as well as outdoors when social distancing cannot be achieved. Please follow this order. We do understand that some exemptions do apply to this. Please be kind to those who require this exemption. In fact, just be kind whenever you can for all reasons!

Government Legislation

During the year, depending on the status of the pandemic, government legislation may change. This Code may change in accordance with these changes. Any new codes of conduct will be emailed out and also posted on the bulletin board at the main bathrooms.

Respect of others and staff

All Customers, guests and staff are responsible for respecting the dignity and rights of everyone at the campground. Every person has a right to expect their time at the campground will be without any type of discrimination or harassment. We will not tolerate, ignore, or condone discrimination or harassment and we are committed to promoting respectful conduct, tolerance and diversity at all times. We are all here to either enjoy our hard-earned leisure time, or to do our jobs as best we can: treating each other with respect is the best way to ensure that happens.
