Dear Charles,

On behalf of the Board of Directors and Officers of the Ohio State Trapshooting Association, I would like to offer my sincere congratulations. You have qualified for the 2023 White Flyer All-Ohio Veterans Team. You and your fellow team members are to be commended for the outstanding effort and competitive spirit you displayed during the 2022 target year.

The entire team list is posted on the O.S.T.A. website and will also be listed in the State Shoot program. The Board of Directors and fellow shooters will honor the team during the Ohio State Shoot, currently scheduled for Thursday evening, June 22nd. We expect the ceremony will take place in front of the bleachers by the museum following the Hall of Fame reception and induction. Please consult with your Zone Director during State Shoot week to confirm the location and time of the ceremony. I plan to take a picture of each team group instead of the complete 2023 team. Please do not leave until I get a chance to take the photo of the Veterans Team members. This is your award ceremony and we would appreciate your participation.

Again, on behalf of the Board of Directors and Officers of the Ohio State Trapshooting Association and Foundation, my congratulations on an outstanding year! Happy New Year and best wishes for continued good shooting.

Sincerely,
