Dear School Owner,

Martial Arts gave our Lives Direction and Purpose.

We invite you to join the Texas Black Belt Commission (TBBC), a non-profit 501 (c) 3 corporation.

The TBBC pays for Karate Students that are unable to pay for their lessons, or gear.

All styles and ranks are acceptable.

With your membership, you'll receive Additional Acknowledgements and Certifications for your Club and your Students.

More Certifications, Recognitions, and Coalitions mean more Prestige for your Club, and more Students.

We are putting together a coalition of clubs within a 120 mile radius, so that we can support each other's tournaments and seminars.

This will help each of us to present a Larger Image, and will help each other financially.

As neighbors, we can schedule a Sparring Practice event for our students.

Practice will improve every student, and would Add Excitement to your curriculum. It Provides a Reason to Train.

For tournament sparring, there are no school secrets – only Practice.

Since the TBBC is a 501 (c) (3) Non- Profit Corporation. As a member, you will be able to get into your local school system to advertise to every student in your area! I can supply the paper work you'll need. We distribute flyers 4 times a year.

Your Texas Black Belt Commission Website will recognize You, and list you as a Certified Black Belt Instructor. It will list each student you have promoted to Black Belt, and their current rank. You will need to send us your certification and credentials, and the names of the students you have promoted to Black Belt.

Let's Grow a supportive group of small schools who want to work together.
