NTP 8TH HOLE DAY 1: GARY KUEK

Some great golf was played on Day 1 of our Playoffs, really exciting stuff! Some fantastic scores, players obviously rising to the challenge and delivering the goods under pressure. These are all good signs that these competitions stretch people and brings out the best performances in a lot of us. We look forward to seeing how the players perform in Day 2, and we wish everyone the very best of luck. Stay focused, believe in yourself, and play your heart out!
