

Sonoma Ranch with Stockton IV in Black

Ameritherm garage doors are known for making good first impressions. Lasting impressions, too. Every Ameritherm garage door is engineered for smooth, dependable operation. Each is carefully constructed from select materials for longer life. Even more importantly, the beauty of a quality Ameritherm garage door adds to any home's appreciation.

- **1-1/2" Thick door sections** with unitized body construction which creates excellent durability and insulation. Foamed in place polyurethane insulation with an R-value of 12.2.
- **Tongue-and-groove section joints** with full width bottom weather seal to protect against wind and rain. Helps keep garage interior moisture free.
- **Galvanized finish** with woodgrain textured surface provides beauty, adds strength and protection.
- **Hardware.** Our heavy-duty, commercial-quality, 14-gauge hinges are the top-of-the-line choice. Sealed 10-ball bearing nylon rollers.
