Terms & Conditions

This agreement is made between the "Client" and the "Contractor." In consideration of the mutual agreement made herein, both parties agree as follows:

Work:

The Contractor agrees to produce project materials (the "Work") at the request of the client for fees agreed upon in advance and delivery of the Work by an agreed-upon deadline. Contractor agrees that he will be the sole author of the Work, which will be original work and free of plagiarism. The Contractor will cooperate with Client in editing and otherwise reviewing the Work prior to completion and launch. All preparation material, visuals and sketches, including all electronic files used to create the project remain the property of Twhn Design.

Confidentiality:

Contractor acknowledges that he may receive or have access to information which relates to the Client's past, present, or future products, vendor lists, creative works, marketing strategies, pending projects/proposals, and other proprietary information. Contractor agrees to protect the confidentiality of the Client's proprietary information and all physical forms thereof, whether disclosed to Contractor before this agreement is signed or afterward. Unless strict confidentiality is requested by the Client in advance of the establishment of this contract. Contractor can display materials and final work created for Client on the Contractor's website and social media platforms.

Compensation:

Client agrees to pay Contractor 50% of the total project cost before any services are provided, and the remaining 50% is to be paid before any workable files are delivered unless specified (this will be clarified in the email from the Contractor). Client will be charged a late payment fee if the full balance hasn't been paid after 30 days from the invoice date. If the parameters of the Work change, or if it involves more time than estimated, Contractor will inform Client and they can renegotiate the Work's cost. The Contractor is responsible for the payment of all federal, state, and/or local taxes with respect to the services he performs for the client as an independent contractor. The Client will not treat Contractor as an employee for any purpose.

Client Approval:

Upon acceptance of the Work, Client accepts responsibility for any further processes in which this work is used (e.g. film outpost, printing, etc.) The Contractor is not responsible for errors occurring in this work or projects related to this work after acceptance of the Work by the Client. A fee may be charged if the Work needs to be re-worked after acceptance.

Cancellation:

Both parties understand that Client or Contractor may terminate the service at any time if, for any reason, the relationship is deemed unsatisfactory by either party. Upon written or verbal cancellation, Client is responsible for payment for all expenses incurred and any work done towards the completion of the project based on the percentage of the project completed that is determined by Contractor. Should the Client cancel the project following its completion, Client is responsible for full payment as per the agreed-upon estimate plus all expenses incurred. In the event of cancellation, Contractor retains ownership of all copyrights and original work created. All Preparation material, visuals and sketches, including all electronic files used to create the project remain the property of Twhn Design.

Acceptance of Terms:

Client promises to pay for the services rendered by Contractor for the Work as agreed upon by emailing shaneharry@twhndesign.co.uk. Client agrees they have read, understood, and are considered legally bonded to these terms.
