Dear Sisters and Brothers:

It is said that, "every new beginning comes from some other beginning's end". So, with the completion of another successful Grand Chapter, we start a new chapter in our history book.

We thank you for the honor you have bestowed upon us and we will do our best to make you proud of us in the year ahead. The final leg of our journey has begun. Each step we take along our journey will be with the confidence, support and friendship each of you has given to us.

This year marks the 128th year of our Grand Chapter. In 2020 we also mark the 200th anniversary of the State of Maine. We hope to celebrate both milestones throughout the year. Stay tuned for tidbits of Maine history at our Grand Chapter session in May.

Our theme this year is: "Fill the Bus or Chapter Rooms" with members, always be Humble and Kind and Love One Another. As we travel on this journey together celebrating the "*Cup of Kindness*" year, let us continue to remember to always treat each other with **Charity, Truth and Loving Kindness**.

Fraternally,

Brenda L. Hall
