Lucille Ann Nanos joined the Heavenly Choir on November 1, 2026 at the age of 79. Born September 2, 1947 in Portland, Sister Luci will be remembered with deep respect and lasting gratitude by all who were fortunate to know her. A devoted presence in the communities she served, Luci was a long-time member of the Order of the Eastern Star and Star Light Chapter #203. Sister Luci held the distinguished role of Past Grand Matron in Maine and at the time of her passing, was a General Grand Chapter Committee member on Cancer. Luci also found great joy in hockey. Fellow Mariners fans remember her as the kind lady who never missed a game and sat in the stands knitting mittens for the hockey players. She sang at Holy Trinity Greek Orthodox Church in Portland.
