

## Missouri Skeet Shooting Association Newsletter for February 2016

### Happy Valentines Day

We are writing the newsletter to highlight tournament results, shooter accomplishments, upcoming events and news around the state. Also posting any information that our clubs might like to pass along, shooting instructions, concealed carry classes, special events, etc. We will also be highlighting our shooting sponsors, and posting goods and services offered by our members and friends and items for sale or trade. Also remember there is very detailed information on our website at [moskeet.org](http://moskeet.org). Our thanks to Bill Wayne for maintaining the website. Bill is the administrator for our facebook page, thanks again Bill.

Bill Wayne has created a **Missouri Hall of Fame** page for our website to **recognize those Missouri shooters who have been inducted into the MSSA Hall of Fame. Any assistance you can provide in identifying these members would be appreciated. If you can provide names and (if known) year inducted, please send the information to MSSA President – Rob Gyngard at [robgyngard@gmail.com](mailto:robgyngard@gmail.com)**

The 2016 skeet shooting schedule is posted on our website at [moskeet.org](http://moskeet.org). At the November 7 board meeting a Hall of Fame Committee was established. This committee is charged with examining the records of Missouri shooters and nominating up to two individuals for induction to the MSSA Hall of Fame and/or as recipients of the Charlie Smith Award for induction at the state shoot in August 2016. The criteria for each is spelled out in the By-laws, Article 10, the complete by-laws are posted on our website. The committee, consisting of Bill Wayne, Rob Gyngard & Arvel Mendenhall will consider suggestions for future nominations for the Hall of Fame and the Charlie Smith Award. Feel free to contact any one of us with a nomination, Bill Wayne at [bwayne@cedarcroft.com](mailto:bwayne@cedarcroft.com), Arvel Mendenhall at [sktnut@embarqmail.com](mailto:sktnut@embarqmail.com) or me at [robgyngard@gmail.com](mailto:robgyngard@gmail.com). The complete minutes from the November meeting are posted on our website.

**Flood recovery final update, January 26<sup>th</sup>**

Submitted by, John Napoli

This will be my final update on the flood recovery.  
Keep your eye on the website for further information and updates.  
We currently have trap on fields 1, 4, and 5. Everything is working normally.  
Skeet is available on 2 - 6.  
Eight sporting clays stations are operating.

We are waiting for electronic parts to get the other fields running.  
We need a little more drying to get the 5-stand out. The target set is soft, but as we are able to get into the field to service traps we will get back to some tougher birds.  
The Board and Management would like to thank all of the members that helped out with the flood recovery (there were at least 30).  
Steve W., Jack W Mike B and others have been working in the bunker and all 15 new traps are installed there. We are just waiting for the electrician.  
We have new chairs for the clubhouse and I am building new tables.  
The computers are running, but we are using the flood as an excuse to buy a new main computer, as the old one has run out of memory.  
The laptop that we use to run events was lost in the flood, so if anyone has a good laptop they are not using, we would appreciate the donation.  
Keep an eye on the website for the date of the rescheduled Big Johnson, which will be in Feb.  
We are also planning a team challenge sporting clays benefit to aid the flood relief. Keep an eye out for that also.  
Things won't be totally back to "normal" for a little while yet, but thanks to the hard work of the staff and all the volunteers, we are in pretty good shape.  
Keep your head on the gun and your eyes on the bird.

I received a letter from Nancy Rodney's friend Nicole, she is looking for a exhibition shooter. If any of our readers know of anyone who might be of assistance please e-mail me or Nancy. Nicole is looking for entertainment for this years Strathalbyn event. Strathalbyn Farm Club is a private club located in Weldon Spring Missouri, in St. Charles county, you can find more information on their website.

**Keen Sights**, which specialize in Add-On ribs.

I recently had Keen Sights install a higher rib on my Beretta barrel and I think their work is excellent and the price is reasonable . If you are interested in having a higher rib added to your barrel, I would highly recommend them. They also offer adjustable ribs among other services check them out at their website at [keensights.com](http://keensights.com).
