

Missouri Skeet Shooting Association Newsletter for April 2016

Date Change, The Missouri State Shoot will be held on August 12, 13 and 14 2016.

It was previously scheduled for August 19, 20 and 21.

We are writing the newsletter to highlight tournament results, shooter accomplishments, upcoming events and news around the state. Also posting any information that our clubs might like to pass along, shooting instructions, concealed carry classes, special events, etc. We will also be highlighting our shooting sponsors, and posting goods and services offered by our members and friends and items for sale or trade. Also remember there is very detailed information on our website at moskeet.org. Our thanks to Bill Wayne for maintaining the website. Bill is the administrator for our facebook page, thanks again Bill.

Bill Wayne has created a **Missouri Hall of Fame** page for our website to **recognize those Missouri shooters who have been inducted into the MSSA Hall of Fame. Any assistance you can provide in identifying these members would be appreciated. If you can provide names and (if known) year inducted, please send the information to MSSA President – Rob Gyngard at robgyngard@gmail.com**

The Blazer Skeet Classic was held in San Antonio Texas, March 18, 19 and 20th. The shoot hosted over 200 competitors and Missouri was well represented with thirteen shooters in attendance, including myself. The weather was perfect for the doubles event on Friday, but Saturday and Sunday started off cold and windy, but warmed up during the day, and luckily no rain. As usual the National Gun Club put on an excellent shoot. James Barnard won 20 ga. Ru and HOA 3. J.B. Barnard won AA2 in dbls, AA3 in 410 and AA4 HOA. Bill Spurlock won AAA4 in th 12 ga. Carter Finnell won B2 in the 20 ga. And Mark Presnell won AA2 in 12 ga, B1 in 20ga, A4 in 28 ga. And A5 HOA. It looks like Marks new Kolar is working very well.

Keen Sights, which specialize in Add-On ribs.

I recently had Keen Sights install a higher rib on my Beretta barrel and I think their work is excellent and the price is reasonable . If you are interested in having a higher rib added to your barrel, I would highly recommend them. They also offer adjustable ribs among other services check them out at their website at keensights.com.
