Kathy and I have been in Florida for the last 5 weeks, during that time I participated in 3 skeet tournaments. We were also joined at the tournaments by Mark and Ann Presnell, with Mark and I shooting together at the Dixie open at Winterhaven, where they had 85 shooters. We then attended the Azalea open at Palatka Florida with 90 shooters. Our last shoot was the Fish Fry at Jacksonville with 150 shooters. The hospitality and quality of the Florida chain of skeet shoots can not be beat, great dinners Friday and Saturday night at the Dixie, steak dinner at the Azalea, and all you can eat fish at the fish fry on Saturday night. All the clubs have at least 50 rv hook-ups for the shooters, with 50 of us camping out together at all the shoots, we really get a chance to make a lot of new friends and have a lot of fun together. Mark and I shot well, winning and placing in class, especially Mark who won HOA third at the Azalea Open. While Mark and I were beating our heads against gun stocks, Ann and Kathy were on the beach looking for sharks teeth. It was great to have Mark and Ann as company while in Florida and look forward to seeing them and other Missouri shooters as we continue on to shoot the Blaser in San Antonio.
