

Skeet Shooting News for April, 2018

Time to spend that tax refund on shooting!

The MSSA Banquet shoot is April 28 and 29 at Prairie Grove Shotgun Sports. This is where all the awards for the State Shoot, State Team, Points challenge and Rookie of the year will be presented. Be sure and attend.

And as always be sure to preregister for all tournaments and have your average card up to date, it not only helps save time at registration but also allows our clubs to better plan the event. Such as, how many fields to use for the shoot, how many referees, how much food for lunch or dinner etc. It is good skeet etiquette.

Nominations are now open for members of the NSSA Board of Directors. Missouri gets 2 directors. Our current directors are Carter Finnell and Bud Wood. Bud Wood who has served the MSSA and NSSA with great dedication is not seeking reelection. Our many thanks to Bud for all his years of service, not only nationally but also as a member of our MSSA board of directors. Nominations for these 2 positions will close April 23. Voting ballots will be sent out after May 1. Voting for these positions will close June 30.

The board of directors of the MSSA have endorsed Bill Spurlock for the position of national director vacated by Bud Wood, and Carter Finnell for reelection to the national board of directors. Ballots will be by email, make sure the NSSA has your correct email address. If you wish a paper ballot you must contact Stephanie Haga at the NSSA.

Now is the time to join or start a spring or summer league at your home club.

Gateway Gun Club's league starts April 3. Check with St. Louis skeet and trap and Prairie Grove shotgun sports for more skeet league information.

2018 Blaser

submitted by Rob Gyngard

The 2018 Blaser skeet shoot in San Antonio was well attended with 270 shooters. Our squad included Bill Spurlock, Mark Presnell, Karol and Reynolds McCain and myself. Bill and Mark were in a couple of great shoot offs, with Bill winning A6 in the 12 and Mark finishing A4 also in the 12. The complete results are on the NSSA website. Congratulations to myself for shooting my 150,000th target at the shoot, and that's why we live in substandard housing. We all had a great time, not just shooting together but hanging out at the club and running around the Texas hill country. Good targets great food and the weather in Texas was perfect mid 80s, blue skies and no rain: then we came home.
