THE BLUE GRASS OPEN by Ken Lorton

The 31st. Annual Kentucky Bluegrass Open was held over Memorial Day weekend in Louisville and was attended by many of the top name shooters from all over the country providing some stiff competition.

Heavy rains revalled intermittenly through-out Friday & Saturday in the .410 bore and 28 gauge events making the cpmpetition a bit more interesting, not to mention wet. Warm and sunny skies provided good shooting on Sunday and Monday in the .20 and .12 gauge events, turning in a multitude of perfect scores.

Missouri was well represented by eight shooters who let Bluegrass participants know the "SHOW ME STATE" was there.

The following is a list of known classes and events won by Missouri shooters:

MAY OPEN

United Sportsmen Club of Jefferson City held its second shoot of the year, May 25, with beautiful conditions. Twenty-seven shooters participated in the 12 & 28ga. shoot with Carl Schwarz taking Gun Champion with his usual 99X100 in 28ga. We all got a lesson in the proper way to smoke 100X100 as we watched Carl shoot his 12ga., which took Gun Champion in that event also. United Sportsmen Club would like to thank all shooters participating, for making the May Open a wonderful shoot. By Rick Wallace

United Sportsmen Club
June 22, 1980

United Sportsmen Club held its third shoot June 22. Twenty-four Shooters watched as the wind came up but dead eye Charlie Smith didn't let that bother him as he won 410ga. Gun Champion with 92X100. After a long shoot-off with Roy Rucker starting on station 1 and ending on station 1. Most of us decided the reason for this was; Roy just didn't have the experience; only 30 years. The 12ga. event became a three way shoot-off of 99s with Gary Marsh proving to be the 12ga. shooter of the day. It was a very quick shoot-off again when Lindall Baker and Rick Wallace both dropped high house 2. Some very good scores were shot in the 12ga. event with NC Richard Vaughn 96X100 finishing 2nd. to a very impressive 98 x100 shot by Lee Springer also a NC shooter. Despite some very short shoot-offs a good time was had by all.
