

Bridgeton Gun Club
May 30-31 1981
By Bruce Moreland

Since this is the first time I have written up a report for Bridgeton. I feel that I must use every adjective available to describe shooters I haven't had a chance to discuss before.

.410 Event

Gun Champ was club owner John Spurgeon who smashed 96 (Sounds like a rigged shoot, but I saw him do it. Old "PERCH BELLY" really smashed them.)

AA to Rob Gyngard with a 94 (He should talk to John about using some of John's weight, he's so skinny that a .410 shell looks like a 10 gauge in his hand.)

B-1 to Charlie Smith who pulverized 95 (Sometimes Charlie talks so much I think his tongue is on a swivel and hinged in the middle.)

C-1 to Bruce Moreland with a horrible 84 (I hit every one but only 84 broke)

D-1 to John DeLuca with a fine 89 (When I know him better I'll describe him better.)

.28 Ga. Event

Gun Champ was "chunky" John Spurgeon with a fine 98 (Later on in the 12 Ga. event John threw new AA hulls at my feet because he knows that it upsets me. He finally quit when I started picking them up.)

AA-1 to Tommy Moore with a 96, can't call him "Sandy" when he's AA. (Next time you see Tom ask to see his dog, ugliest critter I've ever seen.)

A-1 to Harold Wallis with a 90.

B-1 to Bruce Moreland with a putrid 89 (I'm not used to shooting registered birds where there is a good background.)

C-1 to Bill Spurgeon with a 93 (I feel sorry for Bill, he's always trying to keep up with his BIG, BIG, BIG brother.)

NC to John DeLuca with a 94.

.20 Ga. Event

Gun Champ went to Archie Alexander who smashed all 100 (Archie would be a better shot if he could just speed up his shootin a little bit, he actually shoots so fast he looks like a big blur.)

Runner-up went to Ed Taylor who smoked 100 (He actually broke 98 with lead and 2 with Beechnut spit.)

AA-1 to Bob Keeler with a 99 (Did you hear Bob is on a seafood diet - when he sees food he eats it.)

A-1 to Larry Borth who blew away all 100 (Ever since Larry changed dentists his shooting has improved.)

B-1 to Charlie Smith with a fine 98 (Please explain to me how he could be in B when I, one of the worlds finest sand-baggers, am in A?)

D-1 to Glenn Duncan with a super 91.

NC to Janet Spurgeon who broke 78 (Did you ever realize what an angel this lady must be? Can you imagine waiting hand and foot on BIG, BIG, BIG John?)

.12 Ga. Event

Gun Champ to Al Ventucci who smoked all 100 (Check with Al, he's now giving a dove hunting course.)

AA-1 to Charlie (Hog Jowls) Wilson who broke 'em all (evidently he has finally figured out how to break low 8.)

A-1 to Archie Alexander who ran his second 100 of the day (And I thought running would make you slim and trim.)

B-1 to Butch Mylenbusch with a fine 96 (Only shooter I know who smells like pepperoni.)

C-1 to Dave Dressler with a super 98.

St. Louis Skeet & Trap
.....continued.....

C-2 to Harold Wallis with a 96.
E-1 to Wayne Polite with an 86.
NC to Jack Foster with an 87.

Make sure and attend the St. Louis Open, July 17th through 19th, I've purchased free hats and if you want one, now is your chance!

May 9th & 10th
Ft. Leonard Wood
by Bruce Moreland

The weather was horrible on Sunday, it rained cats and dogs and the wind blew so hard you couldn't stay on the station. You'd have to be a real idiot to shoot in those conditions. Needless to say I must be an idiot.

In the 410

Gun champ went to Gary Marsh with a blazing 96 (I'm glad he shot good, because when he shoots bad he throws tantrums).

A to Rick Wallace with a fine 94 (Have you ever noticed he only shoots in white overalls, I wonder how he keeps that one pair clean?)

B to Leonard Willie with a 91 (He'd shoot better if he'd keep his head off the stock)

C to Bruce Moreland with a 92 (Good job Bruce!)

D to Frank Bird with a 78 (Wind's pretty tough on old folks).

NC to M. Kyle with a 90.

In the 28

Gun champ to Gary Marsh who pulverized 99 targets (All kidding aside--Super Shooting)

AA to Rick Wallace with a 96 (By the time you receive this Rick will be a new Daddy, Congratulations! to Rick and Sherri)

A to Leonard Willie with a 95 (He always runs a good shot and shoots a good score).

B to Bruce Moreland with a 98 (I predict that one day this man will be one of the finest shooters in the country).

C to my shooting buddy, Frank Bird, who destroyed 94 targets (Sometimes he shoots good and sometimes he shoots bad, but he always has a good time).

NC to M. Kyle with an excellent 94.

In the 20

Gun Champ to your friend and mine, BRUCE MORELAND, with a 99 (He only got 99 shots as he short-shucked one for a lost target. He has no coordination).

AA to Gary Marsh with a 98 (He said he would have shot better but he hurt his back. Funny thing, his back didn't hurt until he dropped the second bird)

A to Frank Bird with a 95 (New nickname -- Tweetie Bird)

B to Sharon Marsh with a 93 (Tweetie Bird says women belong in the kitchen and not on the skeet field)

C to Ron Haugen who smashed a 91 (Glad a military man's scores are improving. He's what's between me and the Commies)

In the 12 Ga.

Gun Champ to Bruce Moreland with a 98 (You wonder how a guy keeps his classes down shooting these scores?)

B to Leonard Willie with a 98 (Lost a shoot-off to Bruce, he let his nerves get to him and called a flip of a coin wrong)

C to Frank Bird with a 96 (Either he is the finest C class shooter in the country or he has problems figuring his card)

E to Ron Haugen with a 91 (He won't be E much longer)

PS Leonard has promised that the Catfish Open in July will be one of the State's best shoots this year. He guarantees good weather and all the catfish you can eat.
